It is our professional commitment to render these services in compliance with the requirements of Bursa Malaysia.

Meeting Management & Poll Voting

Our comprehensive solutions guarantee flawless execution, unparalleled coordination, and a hassle-free experience for your most critical gatherings, be it physical or virtual. Our robust poll voting system ensures an efficient transparent, hassle-free voting process, delivering precise results that instill confidence among stakeholders.

We will cover the following for you:

Arranging and managing your physical/virtual/hybrid meeting

Processing of proxy forms and shareholder registration

Monitoring shareholders and proxies' attendance

Polling administration including vote count by way of digital voting

Appointing/liaising with the independent scrutineer

We will ensure meetings managed adheres to guidelines provided by the Malaysian Code of Corporate Governance and Bursa Malaysia.

Poll Scrutineering **Services**

In accordance with Paragraph 8.29A(2) of Bursa's Listing Requirements, the listed issuer is required to appoint at least 1 scrutineer to validate the votes cast at the general meeting.

Our scope of service covers monitoring the entire registration process, monitoring the abstained votes and 2-tier voting duly verified and validated.

Our experienced scrutineers will ensure the voting system, process and results are fair, accurate and credible.
