experience and skills**

About Mega Corporate

Mega Corporate Services Sdn Bhd has been established for over 40 years, providing a comprehensive range of professional services ranging from business consultancy, company formation, corporate secretarial services to both private and public listed companies, outsourcing of accounting, payroll, share registration, expatriate employment pass and other application services. We operate in Kuala Lumpur and Kuantan.

We work in parallel with an established international accounting firm to complement the needs of our clients. With our strong office network, we are able to support operations and new business plans across international boundaries.

Our strength lies in the diversity of our outstanding people. We have always believed in cultivating an internal environment of highly competent individuals who are capable of thinking not only by the book, but also around the book. From their differing backgrounds, our people bring with them a refreshing combination of experience, knowledge, expertise and innovative problem-solving skills to provide the best solutions for our clients.

By standing true to our principles, we have built and maintained strong relationships with our clients who consist of local and multinational organisations, a wide spectrum of Malaysian business environments:- private companies, multinationals, public listed companies listed on the main market and ACE market of Bursa Malaysia and non-profit organisations.

Our dedicated knowledgeable team of professionally qualified Chartered Secretaries and Chartered Accountants registered with the respective professional bodies will ensure the quality of services rendered are of utmost importance. Our team constantly undergoes technical training to upskill and keep abreast of the evolving law and landscape of Malaysia.
